8. (Unclassified - NDL) LIAISON Received a call from Pat, STAT
in the office of Representative Hamilton Fish, Jr. (R., N.Y.), who wanted
to know the telephone number of [REDACTED] She said the Congressman
wanted to invite him to speak to a group of leading ladies from their district
next Tuesday on the situation in Africa. I told her I did not have a list of STAT
Agency employees at my fingertips and would have to get back to her. I
then passed this request on to CSS/NFAC. I later learned that [REDACTED]
NIO/Africa, will be able to talk to the group.
